SUMMARY

Strategic and impact-driven founder with experience building and validating early-stage solutions, complemented by a strong background in education and learner development. Proven ability to design structured, outcome-focused learning experiences and improve engagement through data-informed iteration. Skilled in stakeholder engagement, partnership building, and cross-functional execution across diverse environments. Passionate about leveraging AI and technology to deepen learning, assess understanding, and drive meaningful educational outcomes.

EDUCATIONAL BACKGROUND

African Leadership College of Higher Education – Pamplemousses, Mauritius

March 2025 – present

BSc Computer science

Relevant Coursework: Entrepreneurial Leadership, Communication for Impact, Data and Decisions, Project Management.

PROFESSIONAL WORK EXPERIENCE

Founder,

15th September, 2025 - Present

Grabbit Express – Pamplemousses, Mauritius

- Strategically identified inefficiencies in last-mile delivery for time-constrained urban users and launched a beta solution, onboarding 50+ users and achieving 85% on-time delivery within initial testing
- Built credibility by securing partnerships with 5+ local vendors and leveraging referral-based marketing, driving a 40% increase in weekly orders and consistent user growth, addressing low trust and adoption barriers among first-time users
- Systematically optimized delivery operations by designing routing workflows, rider coordination systems, and pricing structures, reducing delivery time by 30% and increasing repeat usage by 25%
- Data-driven refined service delivery by tracking user feedback and operational metrics, increasing successful delivery rates to 90% and improving overall customer satisfaction

Student Success intern,

8th October, 2025 - Present

African Leadership College of Higher Education – Pamplemousses, Mauritius

- Support retention and engagement for over 100 students through academic, administrative, and well-being support, contributing to improved performance and student satisfaction.
- Coordinate bi-weekly check-ins and targeted interventions, identifying at-risk students early and improving follow-up response time by 30%.
- Serve as a liaison between students, faculty, and student life teams, ensuring timely and effective support delivery across academic and non-academic needs.

Educator,

September 2024 - April 2025

Great Eagle Nest Academy – Accra, Ghana

- Liaised with parents and school administration to align learning activities with broader institutional objectives.
- Improved student outcomes by designing and implementing structured mathematics programs, including targeted practice sessions and peer-led tutoring, resulting in 70% of participants achieving excellence in national examinations.
- Organised 10 mathematics-focused events for over 50 students, including competitions and after-school programs, managing all logistical and promotional aspects.
- Ensured smooth execution of academic and extracurricular workshops, including competitions and enrichment programmes, by seamlessly coordinating schedules, resources, and venue logistics.

Educator,

October 2021 - August 2024

African American Islamic Institute – Accra, Ghana

- Boosted academic outcomes, with 70% of students achieving top grades, by tailoring lessons and experiential workshops to diverse learning styles and providing targeted, hands-on practice.
- Organised over 20 extracurricular projects, including debate clubs and group STEM challenges, improving students' collaboration and communication skills, with 85% of participants reporting increased confidence in team-based activities.

- Designed and delivered 10+ insight-filled presentations on student progress and school initiatives to over 150 parents and school leadership members, effectively informing decisions and strengthening community engagement.
- Managed the planning and execution of school events such as graduation ceremonies and competitions, ensuring all logistics ran on time and within scope.

Administrative Assistant

May 2022 - January 2023

Faithful Communications – Accra, Ghana

- Supported operational workflows by coordinating schedules, tracking tasks, and streamlining administrative processes.
- Enhanced client satisfaction by implementing structured weekly updates, centralised reporting, and clear handoff protocols between internal teams and external stakeholders, resulting in a 15% increase in project deliveries.
- Assisted in organizing 10–15 corporate meetings and events, managing logistics, preparing materials, and handling follow-up documentation for 20–40 participants per event, ensuring smooth execution and professional delivery.

EXTRACURRICULAR ACTIVITIES

Mentor,

March 2026 - Present

Beta Mentor Africa – Remote

- Strategically mentored 10+ students across African learning communities, delivering structured guidance that improved learning clarity and goal alignment for 80% of mentees
- Conducted in-depth application reviews and personal statement coaching sessions for mentees, providing targeted written and verbal feedback within 48-hour turnaround windows to ensure mentees submitted polished, competitive applications ahead of scholarship deadlines.
- Consistently drove engagement by implementing bi-weekly check-ins and accountability frameworks, increasing mentee participation and retention by 35%

Media and Technical Lead, SRC Social Transformation Committee

July 2025 - Present

African Leadership College Of Higher Education – Pamplemousses, Mauritius

- Collaborated with the SRC to plan and execute the first ALCHE assembly, managing technical setup, logistics, and on-site coordination, which engaged over 70 participants, including staff, students, and guests of honour.
- Coordinated with cross-functional student leaders to design and implement an inclusive assembly agenda, successfully engaging students from diverse groups and fostering broader participation.

SRC Election Commission Publicity Co-Chair,

March 2025 - Present

African Leadership College Of Higher Education – Pamplemousses, Mauritius

- Acted as a peer leader by promoting active student engagement and fostering a culture of participation across the cohort.
- Facilitated cross-department collaboration to support election workshops and debates, ensuring inclusive participation from diverse student groups during SRC and Mastercard Rep elections.
- Monitored schedules and communicated real-time updates to the student life team, financial aid office, and student body, maintaining 100% adherence to event timelines.
- Actively coordinated election publicity by designing timelines, managing candidate communications, and ensuring alignment with the e-voting platform, resulting in a smooth and transparent process with a 75% success rate.

Marketing & Publicity volunteer,

September 2024 - May 2025

DivasinAi Ghana – Accra, Ghana

- Coordinated with a team of 15 to organise the Hack4Change2025 that brought together ~100 Ghanaian women to compete and showcase innovative solutions to some GCGOs in Ghana.
- Organised and promoted events by designing digital materials, scheduling posts, and liaising with guest speakers, resulting in increased participation.
- Coordinated with vendors and technical teams to ensure smooth event delivery, including workshops and panel sessions.
- Strengthened stakeholder engagement by maintaining consistent communication with AI experts and partner organisations.

ALX Call Centre Agent,
ALX Ghana – Accra, Ghana

August 2024 - December 2024

- Collaborated with the programme leads to adapt communication strategies for different learner needs, ensuring an inclusive experience.
- Supported programme logistics by coordinating onboarding processes and resolving access issues for virtual sessions.
- Managed direct learner communication through 40+ daily calls, addressing challenges and providing timely updates, which improved retention by 25%.

Baobab Summit,
Mastercard Foundation – Nairobi, Kenya

17th October 2025 - 20st October 2025
